

# MARLDON PARISH COUNCIL

## PUBLIC MEETING

Marldon Village Hall - community room

SAT 28th February 10am-12noon

### Local Government re-organisation

Plymouth , Exeter , Torbay , Devon County and grouped District Councils have responded to a Consultation on how the Governance of Devon should be organised

The Parish Council has arranged this meeting to explain , as far as it knows , that a response has been sent by Exeter / Plymouth which could affect Marldon

Exeter / Plymouth have suggested that Torbay unitary be increased in population to match their own

If Exeter/Plymouth's proposal is accepted by Central Government , this would mean that 22 Parishes from South Hams and Teignbridge might be transferred into the Torbay Authority

The Parish Council stresses that information / details are few but wanted to give the opportunity for the Parish to come together and to encourage response by the Parishioners on the Plymouth / Exeter proposal as well as the one proposed by South Hams

**Derek Hore - Chairman**
